

YORKTON
CULTURE
DAYS

What brings you joy?
What gives you hope?
What lifts you up?

Express your gratitude and appreciation as you design, decorate and embellish feathers that will be added to a beautiful community art collaboration, "Wings of Gratitude".

Cut & Trace

How can you participate?

1. Simply print this template and choose the style(s) of feather that you wish to use as the outline for your design.
2. Trace the feather template onto the material of your choice, cut it out and then use your imagination and creativity to decorate your feather however you choose, keeping in mind the theme of gratitude.

What materials can I use?

Any light weight materials can be used to create and decorate your feathers. Paper, cardboard, fabric, felt, plastic, paints, crayons, pencils, pens, magazine clippings, photographs, glitter, rhinestones, buttons, threads, wire, twine, twigs, leaves...

Use your imagination and be CREATIVE!

What do I do with my completed feather?

Completed feathers can be dropped off at Blue Drip Art Supplies or at the Culture Days Yorkton location at Parkland Mall (across from Bootlegger). Drop off times TBA. Follow us on social media for updates.

Your feathers will be used in the installation of a stunning collaborative work of art. Post a photo of your completed feather and tag us at Culture Days Yorkton.
