

Rollout Garbage Cart Placement Tips

- Pull the cart—Its easier than pushing!
- All garbage that goes into the roll out cart. This will help manage the amount of loose garbage that can be blown away by the wind once at the landfill.
- Always have the wheels of the container facing the curb. If your house is on a street or avenue without a curb, please place the container on the road making sure the garbage truck can reach the cart.
- You can only place your cart on the street corresponding to your address.
- Once you cart is emptied you must remove it from the curb and properly store them at your home.
- For your child's safety, do not allow them to play near the roll out carts or the garbage collection vehicle.

Commonly Asked Questions

Where do I put my cart if there is a snow bank or vehicles along the curb?

- Ensure the cart is further away than the snow bank. We recommend that you avoid parking on the roadway during collection day.
- If there car vehicles, place the cart 1 meter from the vehicle where the garbage truck can reach it!
- To report a missed collection, contact **Ottenbreit Sanitation Services—306.783.6995**

My roll off cart was missed during collection, what do I do?

- To avoid miss collections, put out your cart the night before your collection day.
- Ensure your bin lid can completely close. If you have garbage piled up not allowing the bin to shut, the collector will not pick-up your garbage.

Important Facts to Remember

- Do not remove the cart from its assigned address. If you move, the cart must remain at that location for the next residents.
- Do not paint or write on the cart
- Do not dispose of hot ashes, oil, or Household Hazardous Waste (HHW)
- Do not put construction debris in the cart.
- Inform Ottenbreit Sanitation of any damage, vandalism or theft of the cart. It is important to note the serial number stamped on the cart placed at your residence.
- You are responsible for your cart, so please take care of it.

All household garbage must be placed inside the garbage cart. Garbage left alongside or next to the cart will not be collected, and cleanup of this refuse becomes the responsibility of the property owner.

Multi-unit Residents

If you live in an area where there are large refuse containers, such as apartment buildings, that is your method of household garbage disposal. Multi-unit dumpsters **MUST NOT** be used for the following items:

- Furniture (mattresses, sofas, chairs, dressers, etc.)
- Construction debris (concrete, drywall, lumber, carpet, or other flooring materials, shingles, etc.)
- Yard debris (unbagged grass clippings, large tree branches, soil or sod, rocks, etc.)
- Flammable materials (ashes from wood stoves/fireplaces that have not been properly cooled)
